Exhausted from running his church, which serves as a shelter, and overwhelmed by the bills they can no longer pay, Marc must face the facts: he will have to shut down his church. Like a call from Providence, he inherits a property in the Bas-du-Fleuve region and decides to take a group of homeless people with him, who, like himself, need a vacation.

The Beer Barge

Date and Time: Saturday, June 22 4:30 pm - 10:30 pm

Address: Yellowknife Historical Museum, 510 Yellowknife Access Road, near Giant Mine boat launch

The Beer Barge

A reenactment of the annual celebration, in Yellowknife's early days, of the arrival of the first supply barge each spring after a long winter and most importantly, after several long weeks without beer.

This event is nowadays celebrated by the Yellowknife Historical Society and is its biggest fundraiser of the year. All proceeds will go to support operating and maintenance costs of the newly opened Yellowknife Historical Museum, located near the Giant Mine Boat Launch, occupying the building with the red roof on the right of the highway that was once home to the Giant Mine Rec Hall.

There will be entertainment by local bands, dancing, a chance to visit the museum, food for purchase from the new Miners' Mess Café, provided by Hidden Gem Catering and of course, a plentiful supply of beer (for purchase)!

There will be prizes for the best period costumes, and a draw, the winner of which will be whoever makes the closest guess as to the exact time the barge will dock at the boat launch, carrying, in addition to the beer, the Yellowknife Pipe Band, resplendent in their NWT tartan and revellers dressed in the garb of gold miners and prospectors of the 1940s.

Admission: \$30

Tickets are available now from our table at the Yellowknife Historical Museum (open from 10:30am - 5 pm Monday to Saturday) or Quality Furniture.

email us at manager@yellowknifehistory.com to find out how you could be part of the reenactment on the barge.
