ARCTIC XR

Date and Time: Wednesday, November 2 10:00 am - 5:00 pm

Address: 4750 48 St.

Prince of Wales Northern Heritage Centre (PWNHC) and Western Arctic Moving Pictures (WAMP) are now showing ARCTIC XR, a digital and virtual art exhibit with six new works by northern Indigenous artists.

These immersive films center on the retelling of a familial oral history, a mysterious monster, a land-based vision of past, present and future all at once, glorious dream on the ice, an Inuit island utopia, and an Indigenous skateboard video filmed on the Yellowknife's Dettah Ice Road.

Featured artists include Casey Koyczan, Mark Igloliorte, Tanya Tagaq, Laakkuluk Williamson Bathory, Melaw Nakehk'o, and Nyla Innuksuk.

Date: November 2 to 6, from 10 am to 5 pm daily

Location: Prince of Wales Northern Heritage Centre Auditorium, Yellowknife

There is no cost to visit this exhibit.

Submarine Water Pipeline Replacement Project Open House

Date and Time: Wednesday, November 2 6:00 pm - 8:00 pm

Address: Explorer Hotel - Katimavik A Room

The City of Yellowknife will be hosting a public open house on November 2, 2022, from 6 p.m. to 8 p.m. at the Explorer Hotel Katimavik A Room to discuss the Submarine Water Pipeline Replacement Project. City staff and members of the consulting team will give a presentation on the project, as well as take questions from residents.

Background:

The City is replacing the pipeline that supplies drinking water to residents because it is nearing the end of its usable lifespan. A new pipeline ensures the City's future water needs can be met and that drinking water supply is better protected during extreme weather. The current pipeline runs underwater from the mouth of the Yellowknife River at Pumhouse Number 2, along the bed of Yellowknife Bay, to Pumhouse Number 1 located beside the Water Treatment Plant.

The City is currently exploring design and routing options for the new pipeline. The pipeline replacement project is planned to take place over the next four years, with exact dates being determined as design is finalized and construction activities planned. Extensive consultation will be done for this project to ensure residents, contractors, and local Indigenous groups are heard, concerns are addressed, and everyone has an opportunity to offer input on what option and route is chosen.
