Committee noted that Reaching Home – Canada’s Strategy to End Homelessness is a federal program aimed at preventing and reducing homelessness by providing direct support and funding to designated communities (urban centres), Indigenous communities, territorial communities and rural and remote communities across Canada.

As a Community Entity for this program the City of Yellowknife holds a 5-year funding agreement with Employment and Social Development Canada which has since been transferred to Infrastructure Canada and has received the following amounts in funding for this Five-year agreement.
