RE: Governance and Priorities Committee

Typically, RCMP Annual Performance Plan Priorities are established in concert with community leadership early in the RCMP's fiscal year (April 1 to March 31). As we approach mid June, I would like to confer with the City of Yellowknife on what Yellowknife RCMP's priorities ought to be, and once established, objectives and initiatives can be developed, to address these priorities. In speaking to leadership groups, stakeholders, community partners, business, residents and colleagues, I would suggest the three following priorities however there is opportunity for conversation on these, and together, City of Yellowknife and Yellowknife RCMP Detachment can settle on mutually agreeable priorities as any feedback or suggestions would be appreciated.

Proposed current fiscal year RCMP Annual Performance Plan Priorities:

1. Crime Reduction / Interruption (Target enforcement responses to reduce harm to the community coupled with initiatives to detect and deter crime)
2. Reconciliation and Community Leadership Engagement (Continue to build strong relationships with Indigenous communities and residents)
3. Enhancing road safety

Respectfully,

Insp. Kurtis Pillipow
